How do I find a network dentist?

When you receive services from a dentist in our network, your cost may be lower. Network dentists agree to lower their fees for dental services and not charge you the difference. You'll have access to the Principal Plan Dental network, with more than 117,000 dentists nationwide. Visit principal.com/dentist to find a dentist or call 800-247-4695.

What if my dentist isn't in the network?

You can refer your dentist to our network. Please submit the dentist's name and information by calling 800-247-4695, or submitting a form at principal.com/refer-dental-provider.

What are the limitations and exclusions of my coverage?

- Missing tooth provision –This means the initial placement of bridges, partials, dentures, and implant services to replace teeth missing before this coverage starts may not be covered. If the policy your employer purchased replaces coverage with another carrier, continuous coverage under the prior plan may be applied and you may be eligible for coverage to replace teeth missing before this coverage started. Your effective date with your current employer, along with the employer's effective date with Principal are used to determine coverage. Missing tooth provision doesn't apply to pediatric essential benefits.
- Frequency limitations for services are calculated to the month and exact date from the last date of service or placement date.

There are additional limitations to your coverage. Please review your booklet for more information. We strongly recommend submitting a predetermination to determine benefits.
